

Schedule MB, Line 6 – Statement of Actuarial Assumptions/Methods

Pension Relief Act of 2010 The following special rules were elected by the Trustees under the Pension Relief Act of 2010:

- Special amortization rule: The portions of experience losses attributable to the eligible net investment losses incurred during the plan year ending December 31, 2008 are amortized in the funding standard account over a period ending December 31, 2037.
- Special asset valuation rule: Eligible net investment losses incurred during the plan year ending December 31, 2008 are smoothed in the actuarial value of assets over a period of 10 years.

The special rules apply retroactively to the plan year beginning January 1, 2009. For purposes of determining the amounts of the eligible net investment losses to be recognized in the funding standard account under the special amortization rule, the “prospective” method described in IRS Notice 2010-83 was used. As of January 1, 2018, the 2008 net investment loss had been fully recognized in the actuarial value of assets.
